2024 YEAR IN REVIEW

The City of Otsego has continued to grow and thrive throughout 2024, solidifying its place as a vibrant and welcoming community. In 2024, the city saw impressive advancements in infrastructure, recreational opportunities, election participation, and local events that brought residents closer together. From expanding parks and green spaces to fostering new business ventures, Otsego is becoming an even more dynamic place to live, work, and visit. As we reflect on the past year, it's clear that Otsego's progress is driven by its commitment to preserving its small-town charm while embracing the future.

Elections

Minnesota once again led the United States in voter turnout and Wright County led the way at home during the November elections. Minnesota has ranked No.1 in the percentage of registered voters who cast ballots every year since 2008, and Wright County has consistently led Minnesota as the county with the highest registered voter percentage. In November's general election, 90,442 votes were cast in Wright County with more than 104,000 registered voters. Otsego has 13,727 registered voters and 90 percent of them voted.

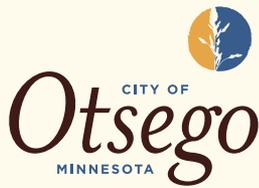

Building Permits

As of December 31, 2024 the City issued 239 single family permits and five commercial permits for:

- River's Edge Apartments Phase 2
- R & L Carriers
- O2B Kids Daycare

Tax season is ramping up – beware of theft and fraud

Unfortunately, theft of mail continues to be an issue for the people of Wright County as well as most jurisdictions in the state and around the country. Many times thieves are searching for checks, credit card information, and other documents that they can later use to commit identity theft and fraud. These types of crimes often increase during tax time as tax rebates and other checks may be in the mail. If you witness people or vehicles near mailboxes that appear to be suspicious, contact law enforcement. Many residents now have cameras on their property which can be helpful after the fact but we also want to remind residents to be mindful of not only their own mail but also their neighbors as well.

GREETINGS NEIGHBORS!

An appointment to serve on an advisory commission is a wonderful way to become involved in your community. Members of the advisory commissions attend meetings with a Council representative along with a City staff liaison to review and make recommendations to the City Council

on decisions that come before them. The Parks and Recreation Commission considers opportunities for recreation programs and reviews development plans for new City parks and trails. The Planning Commission works to establish the long-term vision for Otsego through the Comprehensive Plan, formulates development regulations, and review proposed projects. The Public Safety Commission works with the Emergency Services Department on the establishment of City fire protection services, along with coordination with the Wright County Sheriff's Office and local ambulance services that cover Otsego. The Otsego Heritage Preservation Commission plays a significant role in documenting the history of the community as well as the on-going change that is occurring.

All the commission members serve the City with little recognition, but their contributions to the community and the decisions the City Council makes are irreplaceable. As we look ahead to all the great things we have planned for 2025, I wanted to take the time to personally thank all the City Council advisory commissioner members who continue to serve our community. If you happen to know any of the following residents who serve on the Parks & Recreation Commission, Planning Commission, Public Safety Commission, and Otsego Heritage Preservation Commission please thank them in person if you get a chance to do so.

FROM THE ASSESSOR'S OFFICE

Property owners will receive their 2025 Property Valuation Notice in late March – early April. The purpose of this notice is to notify property owners of the valuation and classification of their property for property taxes payable in 2026.

Here is a brief annual overview of your property's valuation, classification and what to do if you have questions or concerns:

Property Valuation

The Assessor's Office estimates market values based on the assessment date of January 2nd each year.

- **Estimated Market Value** is an estimate of the amount a typical buyer would pay for a property as of the assessment date. This value fluctuates annually based on changing market conditions and changes to individual properties such as new improvements. According to state statute, Minnesota Assessors are to value property at 100% of market value.
- **How do we estimate this value?**
 - By maintaining accurate and updated property records of every property in Wright County.
 - Verifying and analyzing the sales of real property that occur during the sales study time period.
 - * By statute, the sales study time period occurs from **October 1 through September 30** of the year preceding the assessment date. The 2025 Assessment sale study time period was from October 1, 2023 to September 30, 2024.
 - * Only qualified sales involving a typical buyer and seller are considered in this analysis. Sales that are influenced by atypical factors are excluded.
 - * A ratio study is developed comparing the previous year's assessed value with the net sale price of the property.
 - * A market condition and trending study is conducted by the Department of Revenue based on the sales used in the ratio study. This statistical analysis is used to trend sale prices forward from the sale study time period to the assessment date.
 - Adjusting values based on property type, neighborhood, style of property or any other elements of comparison that are identified through the ratio study. This means that not all properties will see the exact same changes in value from year to year.

Property Classification

The property classification used for tax purposes is determined according to the use of the property as of the assessment date.

- The property classification impacts the tax capacity of the property which determines the proportion of property taxes paid in the following year.
Taxable Market Value X Classification Rate = Tax Capacity
- Classification rates are set by state statute
- The property classification for property tax purposes may differ from the zoning of the parcel.

Concerns About Your Valuation Notice

If you disagree with the value or classification of your property, or you have general questions regarding the information on your valuation notice, please contact the Wright County Assessor's Office by calling 763.682.7367.

By contacting your assessor, you will be able to:

- Review your property data with the assessor. The first step is to make sure that the data on record for your property is accurate. This often requires an interior and exterior inspection of your property.
- Review any factual data you have regarding the value of your property. This may be in the form of an unbiased appraisal, market analysis, sales data or other property specific evidence.

Most questions and concerns are resolved through communication between the property owner and the assessor. Concerns resolved at this level, require no formal appeal and no further action by the property owner if completed prior to the scheduled Local Board of Appeal and Equalization meeting.

Formal Appeal Options

If you continue to have concerns after communicating with your assessor, there are more formal appeal options available to the property owners in the City of Otsego.

1. Local Board of Appeal and Equalization Meeting – **April 22, 2025** at 6 p.m.

The City of Otsego holds an annual Local Board of Appeal and Equalization meeting in April each year. If you wish to appear at this meeting, the steps below need to be taken.

- Contact the Wright County Assessor's office at 763.682.7367 to be placed on the agenda.
- Schedule time for the assessor to review your property if this has not already been done. **Please note - For the local board to make a change to your assessed value, the assessor must be given access to inspect the interior and exterior of your property per MN State Statute 274.01b.**
- Prepare factual evidence and provide to the assessor ahead of time.
- Attend the meeting to present your evidence to the Council and answer any questions they have regarding your property.

- It is important to remember that the purpose of this meeting is to review the valuation and classification of the property for the 2025 assessment, taxes payable in 2026. Property taxes due in 2025 are based on the 2024 assessment and the timeline for local appeal options has expired.
2. County Board of Appeal and Equalization Meeting – June 16, 2025 at 4 p.m.
If the Local Board of Appeal and Equalization does not resolve your concerns, you may then appeal to the County Board of Appeal and Equalization.
- For districts who hold a Local Board of Appeal and Equalization meeting, attendance is required at the local level prior to appealing at the county level.
3. File a petition to the Minnesota Tax Court
- The deadline to file in Tax Court is April 30th of the year in which the taxes are payable. The 2025 Assessment deadline is April 30th, 2026
 - Information regarding filing in tax court can be found via their website: mn.gov/tax-court

COUNTY ROAD 137 / HIGHWAY 37 RECONSTRUCTION

Wright County, in cooperation with the Cities of Albertville and Otsego, is planning to reconstruct County Road 137/Highway 37 from the west and east interchange ramps with Interstate 94 to east of Maciver Avenue. This is an effort to alleviate congestion and improve safety and mobility issues in this area for motorists, pedestrians, and cyclists. The planning and design of this project began prior to upcoming development in the area, and the project team is coordinating with the incoming development to ensure the new roadway can handle the increased traffic.

The project will include roundabout intersections at the west and east interchange ramps, at Lymon Avenue, and at Maciver Avenue. The City of Otsego also plans to construct a mini roundabout at the intersection of Maciver Avenue and Marlowe Avenue. The project will also include pedestrian trails, including a trail connection across the existing bridge and a trail extension from County Road 137 to the cul-de-sac on 62nd Street.

The project is anticipated to be constructed beginning in the summer of 2025 and be completed by late summer/early fall of 2026. An open house was held at Albertville City Hall on February 18, 2025. Residents were able to hear more about the project and meet with representatives from the design team.

FRIEDRICH PARK GRAND OPENING!

The City of Otsego is excited to announce the grand opening of Friedrich Park, the 15th addition to the Otsego Parks system. Located at 7675 O’Brian Ave., this 2.1-acre park offers a wide variety of amenities for residents to enjoy.

The park features a themed nature playground and a nature play area, creating a fun and educational environment for children. For sports enthusiasts, Friedrich Park offers a half-size basketball court with one of the area’s first Multi Goals, allowing for basketball, soccer, and handball—all on the same structure. Additionally, a brand-new Bocce Ball court adds a unique touch to the park.

Visitors can also enjoy a peaceful woodchip trail that meanders along the park’s borders. With its lush, wooded setting, Friedrich Park offers a serene escape for all.

Join us for the grand opening celebration! Cake and light refreshments will be served, and the ribbon-cutting ceremony will take place on May 20 at 6:00 p.m. Don’t miss this exciting event as we officially welcome this new gem to our community!

Otsego Fire & Emergency Services: A Milestone for Community Safety

The City of Otsego, Minnesota, is making a transformative leap in public safety by establishing its own fire and emergency services department. This initiative reflects a forward-thinking commitment to community safety and preparedness as the city grows and evolves.

Since its incorporation in 1990, Otsego has relied on neighboring agencies to provide fire and emergency medical services (EMS) through contracted agreements. These partnerships have been vital for the city, which has grown from a rural crossroads to a thriving community of over 23,000 residents, projected to surpass 25,000 by 2027. Over the years, Albertville Fire Department, Rogers Fire Department, Elk River Fire Department, Elk River EMS, Allina Health, CentraCare, Wright County Sheriff's Office, and Wright County Emergency Management have delivered essential services to Otsego.

These collaborations supported the city as it developed high-density and large-lot single-family neighborhoods, expanded its commercial and industrial base, and established schools, parks, and recreation areas. The Mississippi River, which

borders Otsego to the north and west, adds unique challenges with its recreational areas and water rescue needs. Significant transportation corridors, including Interstate 94 and Highway 101, and rural farmland earmarked for future development further shape the city's emergency service requirements.

Building a Department for the Future

Recognizing the growing needs of its community, Otsego decided to establish its own fire and emergency services department. Chief Daryl Rausch, a 44-year fire service veteran, was hired as the city's first Emergency Services Director in July 2023 to lead this effort.

The Otsego Fire & Emergency Services department will be fully operational by January 1, 2027. The new department's headquarters, strategically located at 75th Street NE and Odean Avenue, will serve as a modern hub for fire and emergency response. The new 31,000 square foot facility will house a comprehensive fleet, including a 1500 GPM rescue engine, a 110-foot aerial platform, a Type 4 wildland engine, a 2500-gallon tender, a brush unit, ice and water rescue units, and a utility terrain vehicle (UTV) for specialized operations. These resources, paired with specialized response teams, will enable the department to address a wide range of emergencies.

"Our goal is to not only meet today's demands but to anticipate future challenges," Chief Rausch explained. "We're designing a department that will be ready to support Otsego's continued growth while also enhancing regional response capacity. It's about future-proofing our community—building a department that will serve residents effectively for decades to come."

Comprehensive Staffing and Training

Otsego Fire & Emergency Services will employ a robust staffing model, combining career and paid-on-call (POC) firefighters, a college intern program, and opportunities for high school cadets. Career members will be certified Emergency Medical Technicians (EMTs), while POC members will likely hold Emergency Medical Responder (EMR) certification.

Hiring is set to begin in June 2026, allowing time for a rigorous training and orientation program.

A Legacy of Preparedness

The creation of Otsego Fire & Emergency Services represents a significant investment in the city's future. By establishing its own department, Otsego will achieve faster response times, improved flexibility, and services tailored to the unique needs of its community.

With a clear vision, dedicated leadership, and a commitment to excellence, Otsego Fire & Emergency Services is poised to become a cornerstone of safety and resilience for the city and the surrounding region. "This is more than a fire department," Chief Rausch concluded. "It's a promise to our residents—a promise of safety and preparedness for the future."

Utilities Department

The City of Otsego Utilities Department is responsible for managing and maintaining the City's water systems, ensuring that residents have a safe and reliable supply of clean water. Their duties typically include: Water Treatment, Water Distribution, Water Quality Monitoring, Water Metering and Billing, Maintenance and Repairs and Customer Service. In addition to these services, the Water Department is involved in planning for the future of water resources, ensuring sustainability, and implementing programs for water conservation.

2024 WATER USAGE:

Water production = 729 million gallons
Wastewater treated = 371 million gallons treated

Fire & Police

Otsego is considered a safe community and typically experiences lower crime rates compared to larger cities. The Wright County Police Department plays an important role in maintaining safety, offering services such as patrolling, responding to incidents, and engaging with the community. If you're looking for crime statistics, or community policing programs in Otsego, reach out to local law enforcement or check their website for up-to-date resources.

2024 FIRE & POLICE INCIDENTS = 9,741

The City Council and staff are looking forward to another busy year and will continue to work together diligently to keep this City improving and growing.

NEW COUNCILMEMBERS

Get to Know Your City Council

Following the elections in November, reelected Mayor Jessica Stockamp and newly elected City Council members Michelle Lund and Corey Tanner are already hard at work serving the city of Otsego. As their four-year terms begin, we want to help the community get to know each of them in turn.

Jessica Stockamp

Jessica has served as Otsego's Mayor since 2008, and she is grateful for the opportunity to continue serving its residents.

"I love this community," Stockamp said. "We have raised our family here, and there are so many wonderful people who have chosen to make Otsego their home."

Stockamp is excited to make Otsego a place where businesses can stay and thrive year after year, knowing that local businesses benefit everyone in the community. Public safety is also a priority for her, and the desire to see Otsego's first fire station completed was a key motivator as she sought reelection.

"I have a servant's heart," Stockamp said. "I still felt that there were things that needed to be done."

Michelle Lund

Michelle moved to Otsego in September of 2023 and quickly felt a desire to be more involved in her community. As a newer resident, she believes that serving on the City Council will help her get to know her neighbors and learn how she can help advance the city's vision.

Lund brings 30 years of construction industry experience to the City Council, and she is excited to put that knowledge to use serving Otsego.

As an outdoors enthusiast, she is thrilled by the many opportunities for outdoor recreation in Otsego. "I think it's a beautiful community," Lund said.

Corey Tanner

Corey previously served on the Otsego City Council from 2017 to 2020, and he is excited to be back.

"I felt like we needed Council members who were out in the community being able to listen and understand what the residents have concerns or questions or hopes for," Tanner said. "And I want to be that for them."

Tanner is a data analyst and business process administrator for Great River Energy, having previously worked in their engineering department for 20 years. Communicating with and listening to the public have been key components of his work, strengthening his ability to connect with and serve the residents of Otsego.

ANNUAL EGG HUNT

Get ready for a day of egg-citing fun! Join us at Prairie Park on Saturday, April 12 for our FREE Annual Egg Hunt Event! This year, we're making the Bunny Trail experience even more magical with new themed stations filled with candy-filled eggs and surprises.

Hop, skip, and jump your way through the adventure, and don't forget to bring a basket or bag to collect your treasures! After gathering your goodies, stop by to meet the Bunny—snap a selfie, wave hello, or just enjoy the moment for a perfect keepsake photo.

But the fun doesn't stop there! A DJ will be spinning lively tunes, keeping the energy high as kids dance and play under the Prairie Park Shelter. Plus, bring your leashed furry friends along—they'll get a special treat, too!

Preregistration is required, so sign up early to secure your spot! Mark your calendar and hop on over for a day full of joy—we can't wait to see you (and your pets) there!

Saturday, April 12 10:00-10:55 a.m. 11:00-11:55 a.m.

LOCATION: PRAIRIE PARK, 13355 90TH ST. NE

In case of inclement weather, the event will be held at CityShop, 13400 90th St.

SPRING SHOPPING EXTRAVAGANZA AT THE EGG HUNT

SATURDAY, APRIL 12

Mark your calendar for a day filled with shopping and discovering unique treasures! Browse an incredible selection of handmade crafts, artisanal goods, and one-of-a-kind items.

This is the perfect opportunity to find something special for yourself or a loved one – just in time for Mother's Day!

Support local artisans, talented crafters, and small businesses while enjoying a fun and vibrant shopping experience. Don't miss out on this exciting event!

We are looking for vendors; please check out our website.

Saturday, April 12 9:30 a.m.-12:30 p.m. Free

Weather permitting, the event will be held outdoors at Prairie Park or indoors at CityShop, 13400 90th St. in the case of inclement weather. Please check website for updates on location.
