## OTSEGO HERITAGE PRESERVATION COMMISSION 2015

"The Family Farm Years 1880 to 1910" was first printed in 2002.

We wish to acknowledge the heroic efforts of Elaine M. Norin (2 Sep 1917 – 25 May 2003) who researched, wrote and typed this book. Elaine Norin was an educator and, when her husband died, she retired to Otsego to live on the family Norin Century Farm on Kadler Avenue NE for many years. The Norin's Landing development is on the site of some of the former Norin property. Elaine Norin was a founding member of a group called "Otsego's Vision" which was dedicated to activities that would enhance the public awareness of Otsego's history and culture. This group recommended establishing a Heritage Preservation Commission.

As a Commission we have been able to see the quality and accuracy of Elaine Norin's work which was and is invaluable in preserving Otsego's history. Elaine Norin left an enduring legacy in her work on research and compilation of Otsego's storied past as well as genealogical records. We are deeply indebted to her.

The Otsego Heritage Preservation Commission has rebound this book through the generous efforts of and gift of time by Lisa Fahey, one of our past Commissioners and professional book binder. Efforts have been made to locate original prints because of the poor copy quality of many of the pictures in the original book. Those pictures we were able to find have been reprinted in a special addition to this rebound book. Lisa completed this photo layout. Our consulting graphic designer, Kim Welter, redesigned the cover with pictures from the era, adding resource information on the back cover.

Current Otsego Heritage Preservation Commissioners are: Gail Anderson, Zonja Matushenko, Toni Seroshek and Chris Wilson. City Council Representative is Mayor Jessica Stockamp.

*OHPC invites and welcomes community input and involvement.*

# OTSEGO - THE FAMILY FARM YEARS

## PREFACE

Over 350 families who first settled in Otsego between 1852 and 1880 are identified in the first book published by the Otsego Heritage Preservation Commission in 1996; OTSEGO - IN THE BEGINNING. By 1880 nearly all the land in Otsego had been claimed.

The Federal census records reflect some interesting trends during that period.

### Where did these people come from?

<u>Place of Birth</u>	<u>1860</u>	<u>1870</u>	<u>1880</u>
New England States (ME, NH, VT, MA, CN, RI, NY)	203 (63%)	231 (39%)	195 (26%)
Minnesota	57 (18%)	204 (34%)	345 (47%)
Other United States	22 (7%)	74 (13%)	56 (7%)
Eastern Canada (includes Prince Edward Island, New Brunswick and Nova Scotia)	37 (11%)	49 (8%)	102 (14%)
Europe	<u>3 (1%)</u> 322	<u>37 (6%)</u> 595	<u>42 (6%)</u> 740

The marked increase in the percentage of Minnesota-born residents suggests that many early settlers raised families and remained in Otsego.

### How did they earn a living?

Census takers traveled from door to door and listed people in the order they visited them. These lists clearly identify the ethnic groups that formed. The earliest settlers were from New England states and located in the north central area of Otsego. Those from Eastern Canada tended to occupy the east area, along the Mississippi river. A marked increase in European-born people, mostly German, is evident in the south area near Albertville. Early maps confirm this; English and Scotch names predominate in the north central area, French in the east, and German to the south.

A summary of occupations listed on census records identifies Otsego as a farming community during the period 1880 to 1910.

Census records also reveal large family groups; many children and extended family members such as grandchildren, mother, father, in-laws, brother, sister, cousins, etc.

The population of Otsego increased steadily from 1880 to 1900. A small decrease appears in 1905 and 1910.

## THE OTSEGO HERITAGE PRESERVATION COMMISSION

A City Ordinance authorized the seven-member HPC on June 27, 1994. Members are appointed by the City Council for terms of four years.

One of the purposes of the Commission as stated in the City Ordinance is to "foster civic pride in the beauty and notable accomplishments of the past." One of the duties is "to work for the continuing education of the citizens of Otsego with respect to the historic and architectural heritage of the City." This book is presented as an educational tool. The history of Otsego is well-documented in other books; a very brief summary of this period of time is offered in this book.

The purpose of this book is to identify the people who occupied and developed Otsego during these years.

Generous grants from Lutheran Brotherhood and Wright-Hennepin Electric Foundation made it possible to produce the first book OTSEGO IN THE BEGINNING. Income from sales of it and subsequent books made it possible to produce this one. Books are sold at slightly above actual cost; to permit donation of copies to historical societies and libraries. Research, writing and typing was done by a volunteer, Elaine Norin.

Current members of the OHPC are:

Sharon Carter, Secretary

Arlene Holen

Frieda Lobeck

Elaine Norin, Chr.

Joy Swenson, Vice-Chr.

Jerry Struthers is the City Council representative

## F A R M I N G

The earliest settlers were primarily wheat farmers. Their objective in coming here was to till the soil. They were industrious, hard-working people who cleared much of the "Big Woods" for crop land. When prices dropped in 1878, they turned to diversified crops and dairying. The wheat fields became pastures. After the cream separator machine came into use, dairy farming increased rapidly. Large barns were built with room for hay and feed as well as cattle. Windmills became common and improved fences of barbed or woven wire came into use.

Most farms consisted of a farmhouse and a number of outbuildings such as a granary, woodshed, machine shed, ice house, milk house, corn crib, silo or privy. By 1890 better roads made it easy to send milk and cream to market. "Cooperative Creameries" developed and built large buildings. The rapid growth of Minneapolis and St. Paul created a heavy demand for milk. Farmers bred better cattle and the dairy cow became "Queen of the Farm". From about 1895 to 1910, farm crops, livestock, farm implements, machinery and land values rose steadily.

As farms developed the original log cabins were replaced by well-built wood frame or brick houses. The 1910 census provides this information for Wright County:

Average value of all property, per farm	\$7,321.00
"    "    "    land and buildings	6,203.00
"    "    "    "    per acre (in 1900 \$24.72)	44.89

85% of farms operated by owners; American-born 49%, foreign-born 51%

Principle crops; corn, wheat, barley, flax, potatoes, oats, timothy and alfalfa.

Horses	710
Cattle	2120
Sheep	169
Swine	777
Poultry value	\$1,104.00
Dogs	87
Automobiles	10
Motorcycles and Bibycles	5

The pioneers found abundant wild fruit; apples, grapes, plums, strawberries, choke cherries, raspberries and blackberries. Some farmers transplanted these in their gardens. About 1893, new developments by the U. S. Department of Agriculture introduced new and better fruits and berries as well as black walnuts and butternuts.

As they became more prosperous, some owner registered names for their farms:

Hazel Hurst Farm	C. E. LaPlant
Oak Grove Farm	A. Thorp
Woodland Farm (sometimes listed as "Woodlawn" Farm)	Edson Washburn. The 300 acre farm had a 100 ton silo. He specialized in dairying and raised full-blooded Guernsey cattle.

## C H U R C H E S

There were two Methodist-Episcopal churches in Otsego during this period. At the townsite, a fine frame building was located on the north side of County Road 39 near the junction with Nashua Avenue. In the HISTORY OF WRIGHT COUNTY, it is described ". . . the church building, 36 by 40 feet . . . finished and dedicated in June 1872 . . . well-filled each Sunday . . . Sunday School, Ladies' Aid Society and Young Peoples Society are all flourishing organizations." The church built a seven-room parsonage with a cellar, well and cistern at a cost of \$1,025.00. "The Lily Pond church <located on the northeast corner of County Road 39 and Kadler Avenue> is under the same pastor." The Lily Pond church was built in 1906. It had a basement with a furnace and a separate room with kitchen facilities. Some of the pastors were David Brooks, E. W. Duckworth, John Stafford, Samuel Kerfoot, George E. Satterlee, J. L. Parmeter, J. W. Mower and Norman Batdorf.

In 1873 John McDonald sold blocks 26 and 41 to the church for a campground. A 25 by 40 foot tabernacle and cottages were built and provisions made for pitching tents. It was known as the Ebenezer Camp Ground and was noted as second only to the famous one at Red Rock. Annual camp meetings were held for about 30 years.

In the HISTORY OF WRIGHT COUNTY, it states: ". . . Organized Catholic parishes with resident priests . . . Albertville, Otsego township . . . September 1903, the church of St. Albert was legally incorporated . . . Some of the first, more active members <from Otsego> are . . . John Roden, Peter Zimmer, Mike Bloberger, L. E. DeMars, George DeMars, A. W. Praught."

The Holt Diary contains this entry: May 12, 1889 "Reverend Stewart baptized some folks at the Otsego ferry." This is the only information found that suggests that a Baptist church may have existed in Otsego.

### STORE AND POST OFFICE

In 1893 there were 26 post offices in Wright county, including Otsego. With the coming of rural free delivery, Otsego was discontinued before 1905.

John McDonald operated a store and rope ferry. A post office opened in the store in 1856 and he was the first postmaster. The store was kept by C. B. Jordan in 1857 and 8. Following him, Rollin Thorp had the store and post office for many years. Martin Spencer kept the store and post office until his death, when his wife Josephine served as postmistress. In later years, the store was operated by Joseph McDonald (grandson of John), B. L. Hall, Leon Snow and D. B. Edwards.

## BUSINESS AND INDUSTRY

David Look Ingersoll operated a brick factory on the northwest corner of his farm on the Mississippi river in Range 23 Section 18 and Range 24 Section 13. From entries in the Holt Diary, it appears that many farmers also worked in the brick factory. The bricks were made from local clay. The factory operated until at least 1890. A number of houses in Otsego were built of these bricks; some are still in use.

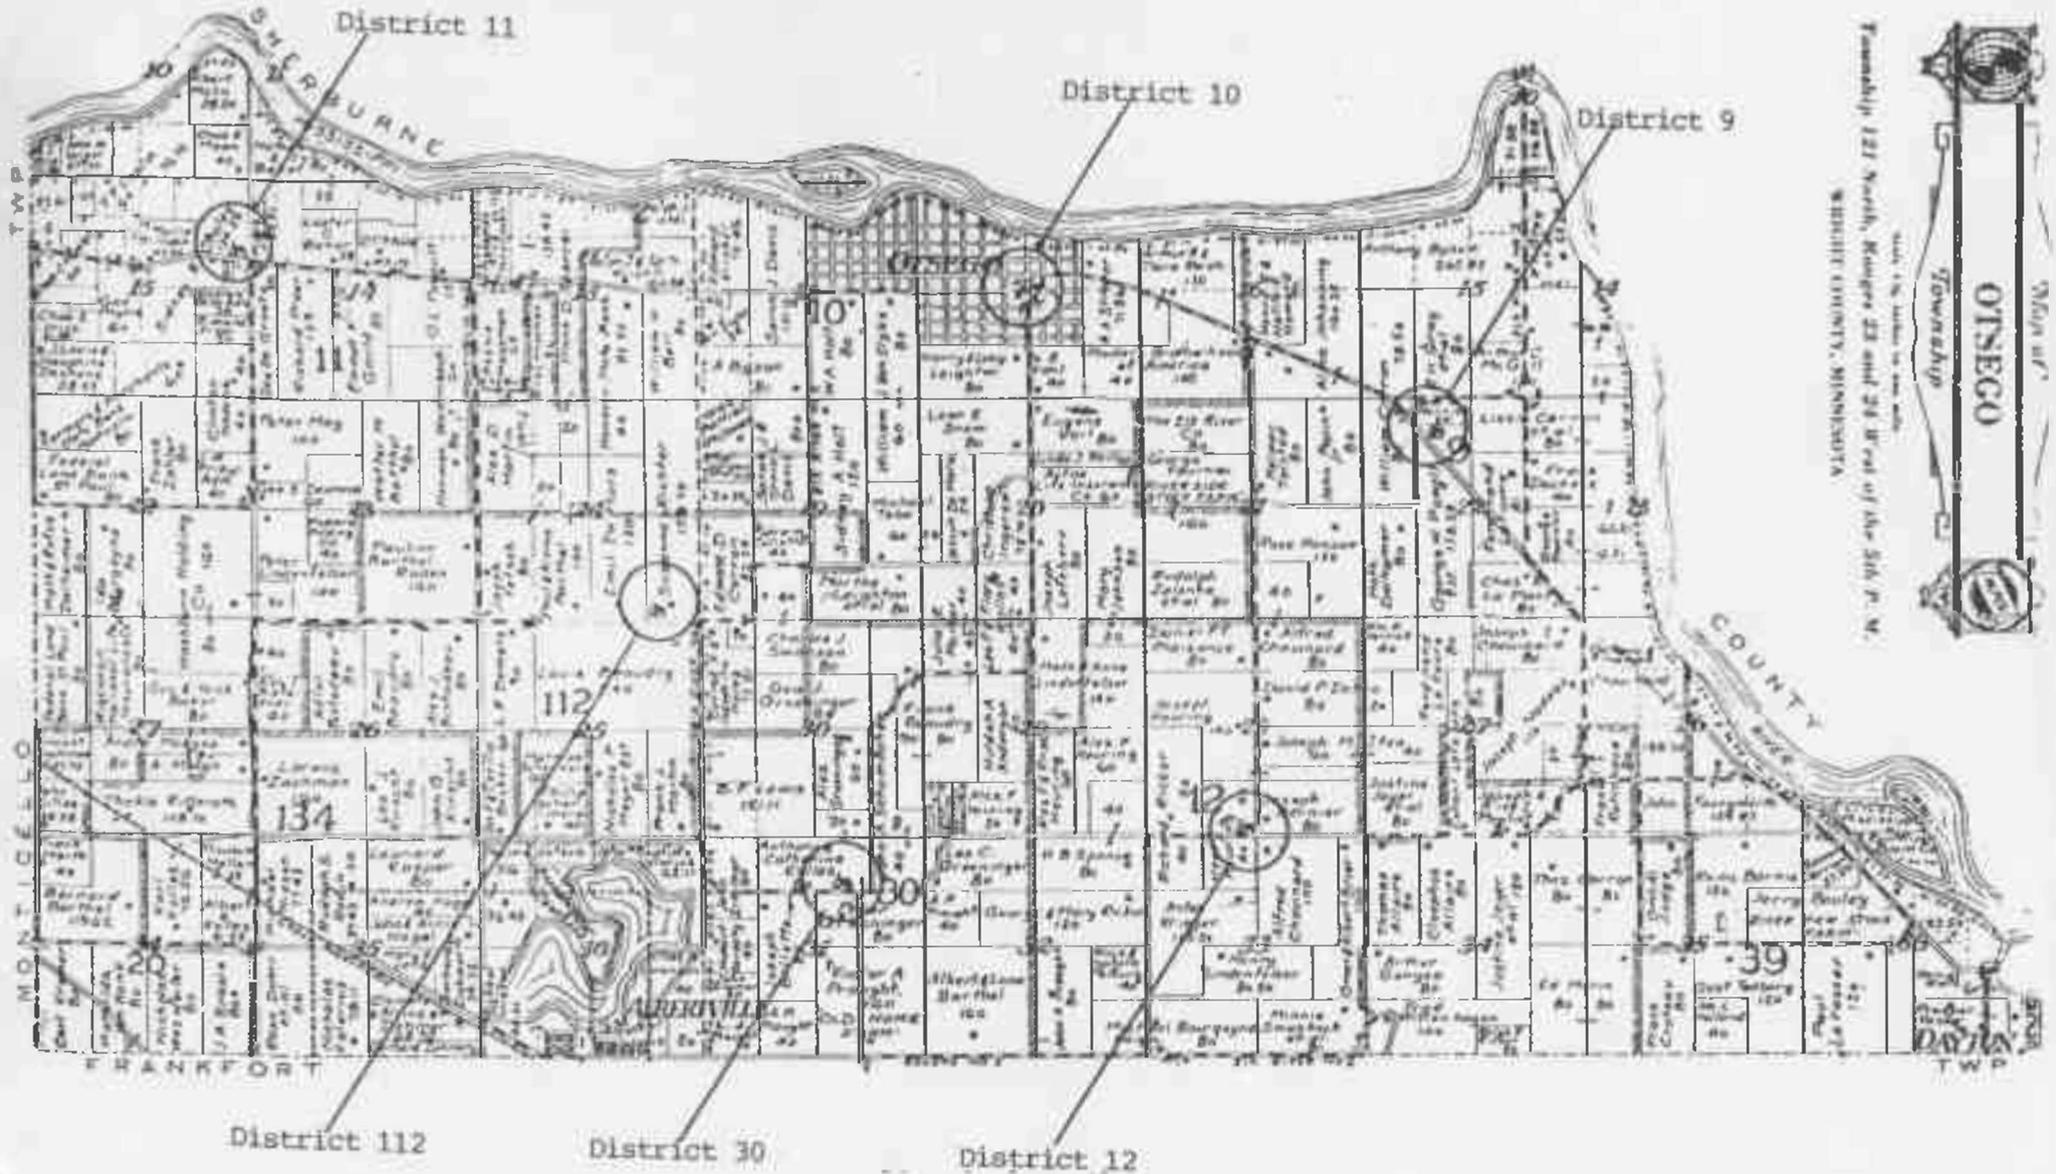

At least one blacksmith shop existed and a "flouring mill" operated in the eastern part of Otsego, near Dayton.

Lumbering provided winter jobs for many farmers. There are frequent references to this in the Holt Diary. In the fall, riverboats filled to capacity with "lumberjacks" headed north to fell trees for the spring run. "River Pigs" controlled the pine logs floated down the Mississippi in the spring. They wore spikes on their boots. Men worked as much as 14 hours a day breaking up jams and keeping logs moving. Logging continued until about 1912.

Charles H. Ricker (center of picture) is working on an "Icing Wagon" at lumber camp. They put water on the path to slide logging sleds on.

# SCHOOLS

The first schools in Wright county were established along the natural modes of travel; the Mississippi and Crow rivers. The first school in the county was in Otsego in 1855. It was known as Pleasant Grove District and was taught by Margaret (Mrs. Alvah) Cooley. During the period 1880 to 1910 there were 6 schools in Otsego. All were originally wood frame buildings. Districts 10 and 11 burned and were replaced by larger stucco buildings. It appears that District 30 also burned and was replaced.

## T R A N S P O R T A T I O N

Before bridges were built, ferries were used to cross the Mississippi during warm weather. In winter, crossings were made on the ice. The ferry was a flat boat, large enough to carry a horse and buggy or team of horses and wagon. It was attached to a cable stretched across the river. A bell was used to signal the operator that someone on the opposite side wanted to cross over.

The first ferry was established in 1854 by Samuel Carrick of Otsego who had a trading post on "Carrick's Prairie". It was located near the present Parrish Avenue bridge. In 1887 it was operated by George Thomas and William Houston of Elk River. Shortly after 1900 it was relocated about a quarter of a mile upstream and was run by Prosper Vasseur of Otsego. After the bridge was constructed in 1904 the ferry was discontinued.

Ice in winter and log jams in summer made crossings hazardous. Many accidents are recorded in the Elk River newspaper. On July 5, 1885 Edward Pickard, age 20, fell from the ferry and drowned.

Another ferry was established in 1854 by Charles Aydt of Otsego. It was located near the mouth of the Crow river. He operated it for several years. It appears that George Slater, who came to Dayton from England in 1856, ran it for a number of years. It is identified as "Slater's Ferry" on the 1879 and 1894 maps. Slater apparently moved from Dayton before 1870 as he appears on the 1870 Otsego census. Oliver Perrault of Hennepin county ran it until he sold to Adolph "Duffy" Martin in 1902. Duffy took over until 1937 when he discontinued the service.

A ferry at the Otsego townsite was established by John McDonald in 1855. In the HISTORY OF WRIGHT COUNTY it states: ". . . has owned and operated the same to the present time <1915>."

The third ferry was located in the Lily Pond area (Range 24 Section 11). The HISTORY OF WRIGHT COUNTY states: "Caleb Fulton Baker . . . keeps a ferry which is known as Baker's Ferry." It was well patronized and Elk River became a marketing and trading center for Otsego, Monticello, Frankfort and other Wright county settlements.

During these years, most roads in Otsego were gravel and were maintained by local farmers. Travel was by horse and buggy, or wagon until the first automobiles appeared in the early 1900's. The 1910 census lists 10 autos in Wright county.

## D O C T O R S

The doctors serving Otsego during this period were located nearby in Elk River, Dayton, St. Michael and Monticello. These names were found in the Register of Deaths and Register of Births records for Otsego township:

- J. H. Gerrand
- Alfred Luderman
- J. N. Metcalf
- G. E. Page
- George E. Parsons
- C. J. Scoboria
- C. A. Wertholter
- N. K. Whittemore

## OTSEGO FAMILIES 1880 to 1910

The following pages contain over 400 family names found in the Otsego census records from 1880 through 1910. Not all census records contain the same information.

Entries under the headings Register of Births and Register of Deaths are from old Otsego township record books.

Entries under Cemetery are names from known graves. Because the cemetery dates back to about 1854, it is possible that some graves have not been identified due to deterioration of markers.

Jan. 15, 1906 Justin R. Adams, born Sep. 12, 1865 in Minnesota.  
 Father: Samuel Adams, born Maine. Mother: Lyde Adams, born Maine  
 Shot and killed by W. E. Brandt.

Condensed History page 89

"On January 6, 1906, Otsego was again to be the scene of another tragedy, when William E. Brandt murdered his young and beautiful wife and her alleged paramour, sometime during the night, and then killed himself. The evidence before the coronor's jury showed that Mrs. Brandt was a good housekeeper and provided for the home as her means allowed. County Attorney Cutting appeared for the county before the jury. Coronor Moffet appointed Leon E. Snow, A. J. Wood, F. M. Brown, S. A. Pepin, Joseph E. McDonald and O. L. Davis as jurymen. C. A. French was appointed clerk to take the testimony and his report is on file in the vaults of the court house. It was a tragedy which had its appeal to the Heart, for the murdered left a little son. Marvin, who appeared to be very fond of his papa and mama, and repeatedly asked for them. He was taken care of by relatives in Iowa. The general verdict at that time was that 'the wages of sin is death'".

A terrible tragedy occurred in the town of Otsego, this county, at the stage, on Monday afternoon, where in Willard E. Brandt murdered his young and beautiful wife and killed her alleged paramour, Justin R. Adams.

In the spring of 1905 Willard E. Brandt, wife and boy came to Otsego where they have lived since that time and up to about two months ago there was nothing to indicate that their lives was different from that of their neighbors, pleasant and respectable. Mr. Brandt, who is twenty-five years of age, was a good-natured, industrious man. Mrs. Brandt, while possessing a mind of her own, was respectable. She was a neat house-keeper and provided for the home as well as her means would permit. Their nearest neighbors testify that they were kind and obliging neighbors, and that Mrs. Brandt was very accommodating and always willing to help in case of sickness. In the past two months there has been whispers of scandal and rumors that something was wrong, and in this connection the names of Justin R. Adams and Mrs. Brandt have been coupled. Their actions were first noticed at a dance given by one of the neighbors about the middle of November where, it is said, Adams and Mrs. Brandt danced with each other for eight consecutive dances, and were so apparently infatuated with each other that little notice was taken of any one else.

From that time to the day of the tragedy their actions have been watched and commented upon, and more than once the friends of Adams have not only warned him but reasoned with him, and he always laughed them off. He was not in the habit of going to Brandt's house. In fact had been there but once and then was invited there by Brandt. He met Mrs. Brandt in the street occasionally and had met her in Elk River in the street and talked with her. There was no proof, however, that anything was wrong. Brandt's suspicions grew however, and it is apparent he had talked with his wife about it.

It is apparent they had agreed to separate, for a few weeks ago they divided up their pictures and knock knacks, and refused to speak with each other, although living in the same house.

#### Could Not Persuade Her.

He tried to persuade her to give up going away, but she would not listen, and down to the hour he took her life he brooded over her waywardness and tried to induce her to stay, and in his words to a neighbor, "I have persuaded Mary not to go away, and I believe she will not go." Mary was dead then.

#### As Cool as Ever.

On the day of the terrible deed Brandt visited B. L. Hall's store and was apparently as calm and cool as ever. He gave no sign of what was in his heart or what his purpose was. On the fateful afternoon he took his little three year old boy, Marvin, over to his neighbor, Lewis McDonald's, and left him there. He assisted in butchering two hogs. The day was stormy and windy. After getting through his work he went to Hall's store where Adams and Hall were playing checkers. He commented to a friendly way on the game. He asked Adams to come to the door as he wanted to see him about something. That was the last seen of either alive by Mr. Hall. He and Adams were seen together near the barn about 5:30 apparently talking over a trade and then they entered the barn, and were not seen until the next morning when they were discovered dead.

#### A Desperate Struggle.

It is supposed he killed his wife about 1:30. She was dressed to go out, had her cloak, furs and overshoes on. It was apparent a fierce quarrel had taken place as chairs were turned upside down, and curtains pulled down. It is evident that the wife had been chased to her bedroom and dragged out as spots of her blood were found on the counterpane and the window draperies torn. It is the general opinion that Brandt finding that his wife refused to stay with him drew his revolver, and to defend herself she grabbed a butcher knife from the table. That a struggle took place. She was shot through the mouth with a .38 calibre revolver, the bullet going upwards and killing her instantly. Adams was shot in the left cheek the bullet going upward and undoubtedly killed him. To make sure of it, Brandt fired another shot into his right breast.

#### Writes Letters to Friends.

After this he went into the house where the dead body of his wife lay in her blood; took paper and envelopes from her box and with a lead pencil wrote six letters. One to people generally and the others to friends and relatives. He then lay down upon the kitchen floor, placed the revolver to his right temple and fired, dying instantly and without a struggle. The end had come, the scriptural saying, "The Wages of Sin is Death," was again verified.

#### The Letters.

You will find my wife in the front room and J. R. Adams in the barn. I accused him of breaking up my family. I told him that my wife said that he told her that he would shoot me, and he said he would, and I shot him.

Signed.

W. E. B.

#### Letter to T. J. Brandt.

T. J. Brandt, Elk River.

Will--Don't take any of the things. Leave it all for Marvin. You may have mother's dresses and Dora have the money chest. Leave the rest for the boy. Well William, it has come at last. Goodbye.

WILLARD.

#### An Ill Spent Life.

T. J. Manly, Mason City, Iowa.

Dear friend--I have killed May. She was untrue to me. So I didn't want to live and left her. She tried to kill me with a knife so I shot her. Let James have the boy. I want everything sold and if there is anything left save it for him. It was hard to kill May, one woman, but I have done it. It was Justin Adams. He said he would get me out of the way and have May. Goodbye all.

WILLARD.

#### An Ill Spent Life.

Mrs. Dora Morgan, National, Iowa.

Well Dora, it is hard to say goodbye. I want James to have Marelo and everything sold. You have the money chest, and Will, mother's clothes. Justin Adams caused the murder.

WILLARD.

#### An Ill Spent Life.

John Jones, Mason City, Iowa.

Well it has come. May was not true to me, so I don't want to live any longer. Take the boy and give him a good education. Have a guardian appointed. She tried to kill me with a butcher knife and I shot her--an ill spent life. She turned out to be a whore. Justin Adams is the man that caused the racket. He would get me out of the way had have the woman, so I killed him and May. Goodbye.

WILLARD.

"Alfred E. Borthwick, farmer, Otsego township, was born in the township where he still lives, June 13, 1867, son of Aleck and Lydia(Hicks) Borthwick, the former a native of Prince Edward Island, and the latter a native of Illinois. The father came to America as a young man, and located in Hennepin county, near Dayton. In 1867 he settled in section 30, Otsego township, where he secured 100 acres. The father and mother are both dead. In the family there were eight children: Mary (deceased), James (deceased), Alfred, Clara (deceased), an unnamed infant who died the day of its birth, Charles, Electa (deceased), and Lucy. Alfred E. received his education in the district schools and was reared to agricultural pursuits. He received the home place by deed from his father. In 1892 he went to Idaho and remained two years, in the meantime renting his farm. He returned in 1894 and since then has successfully carried on general farming. Mr. Borthwick was married January 25, 1897 to Estella Humphrey, daughter of John and Addie (Regester) Humphrey, and to this union has been born one son, Harry Alfred, who was born January 7, 1898."

# Dr. Borthwick and Dr. Humphrey

by Elaine Norin

Who? Unless you have an interest in botany or plant pathology, you may not recognize them. These men once lived in Otsego and both became world famous in their field.

Dr. Harry Baker Humphrey came with his parents to Otsego in 1882. They settled on a farm about a mile and a half south of Elk River and three miles north of Dayton. He attended the nearby country school. At 18 years of age, encouraged by his mother who had been a teacher, he started high school in Elk River. He built his own boats to row across the Mississippi River to attend classes. In winter, he skated across the ice. During this time he helped with a man's work on the farm. He was president of his class and graduated in three years.

Humphrey enrolled at the University of Minnesota in 1895. He worked his way through college, specializing in botany and modern languages and received his bachelor of science degree in 1899. The family moved from Otsego in 1900.

Following several years of secondary school teaching, he enrolled in graduate school at Leland Stanford University and in 1907 received his doctorate degree. In 1913 he was appointed Pathologist for the U. S. Department of Agriculture in Washington, DC.

Dr. Humphrey is credited with over 50 scientific publications and his work contributed to the development of disease resistant cereal grains. In addition to this work, he taught French from 1922 to 1948. He was deeply interested in the French Canadian people, dating from his contacts with the Pepin, Chouinard, Bourgeois, and Caron families who were his neighbors in Otsego. Dr. Humphrey was president of the American Phytopathology Society, a fellow of the American Academy of Arts and Sciences, and was honored by many other scientific societies.

Dr. Harry Alfred Borthwick was born in Otsego. His mother, Estella Humphrey Borthwick, was a sister of Dr. Harry Baker Humphrey. After graduating from Elk River High School, Harry was encouraged by Dr. Humphrey to enter the School of Agriculture at the University of Minnesota in 1917. When his parents moved to San Jose, CA in 1919, he transferred to Stanford University, majoring in Botany. He received his Bachelor of Arts degree in 1921, Master of Science in 1924, and Doctorate in 1930. He wrote over 100 scientific publications and joined the research staff at the U. S. Department of Agriculture at Beltsville, MD. He was a fellow of the American Academy of Arts and Sciences and the recipient of numerous awards.

Former Vice President Hubert H. Humphrey's father, a brother of Dr. Humphrey, lived in Otsego from 1882 to 1890. Dr. Humphrey was the uncle of Dr. Borthwick and Hubert Humphrey who were cousins.

## Historical Highlights

The Otsego Heritage Commission has a fine collection of papers relating to the two families. There are many pictures, diplomas, honorary certificates, a high school year book, an original hand written invitation to the Alfred Borthwick and Frances Humphrey wedding, many newspaper clippings, and other documents. Some of these are now on display at City Hall. We are honored to be entrusted with the preservation of this material given to us by Dr. David J. Humphrey, a son of Dr. Humphrey.

Wedding picture of Frances Estella Humphrey and Alfred Ellenwood Borthwick, married Jan. 25, 1897 at the Humphrey home. The Otsego Heritage Preservation Commission is featuring an exhibit of pictures, certificates, and other memorabilia from the Humphrey and Borthwick families in the display cabinet at City Hall.

Volume I, page 531

Jerry Bouley, farmer, Otsego township, was born in Hennepin county June 14, 1870, son of Tales and Clementine Bouley, the former a native of Michigan and the latter of Quebec, Canada. In 1876 they came to Wright county and located in Otsego township. The mother died in May, 1910. The father is on a claim at Wilston, ND. In the family there were eleven children: Jerry; Laura (deceased); Clara (deceased); George and Edward (twins), who died in infancy; Peter of Dayton; George, of Virginia, Minn.; Joseph, of Dayton; Vina, wife of C. Haley, of Dayton; Leo, of Virginia, Minn., and a girl who died in infancy. Jerry Bouley was reared to agricultural pursuits. Even as a small boy he did a man's work on the farm and rafted logs on the river. At the age of sixteen he started work for a boom company on the river, and was thus employed for thirteen seasons. Later he purchased ten acres of land. At various times he has added tracts of twenty-five, eighty and forty acres, all in section 36, Otsego township, and he now has a well improved farm with a sightly home and good barns. He successfully carries on general farming, and occupies an enviable place in the community. He is a Democrat in politics, and is now serving the township as supervisor. The family faith is that of the Catholic church. By his first wife, Mr. Bouley had five children; J. A. of International Falls, Minn.; Olive, of Dayton; Clara, wife of Victor Blanchett, of Otsego; and Frank and Albert, at home. For his second wife, Mr. Bouley married Mary Rabsheand, and they have one child, Obeline. A daughter, unnamed and Elmer, Leona and Arnold died in infancy."

Jan. 15, 1906 May E. Brandt b. 1882 in Iowa Shot and killed by W. E. Brandt

Volume II page 607

"A double murder and suicide took place in Otsego township January 15, 1906. William E. Brandt killed his wife, Mary E. Brandt and Justin H. Adams, then made way with himself."

Condensed History page 89

"On January 6, 1906, Otsego was again to be the scene of another tragedy, when William E. Brandt murdered his young and beautiful wife and her alleged paramour, sometime during the night, and then killed himself. The evidence before the coronor's jury showed that Mrs. Brandt was a good housekeeper and provided for the home as her means allowed. County Attorney Cutting appeared for the county before the jury. Coronor Moffet appointed Leon E. Snow, A. J. Wood, F. M. Brown, S. A. Pepin, Joseph E. McDonald and O. L. Davis as jurymen. C. A. French was appointed clerk to take the testimony and his report is on file in the vaults of the court house. It was a tragedy which had its appeal to the Heart, for the murdered left a little son. Marvin, who appeared to be very fond of his papa and mama, and repeatedly asked for them. He was taken care of by relatives in Iowa. The general verdict at that time was that 'the wages of sin is death'".

Wright County Times - January 18, 1906

". . . In the spring of 1905 Willard E. Brandt, wife and boy came to Otsego where they have lived since that time . . . Mr. Brandt, twenty five years of age . . . Marvin, the three year old boy of the Brandts . . . will be taken care of by relatives in Iowa . . ."

"John O. Braun, stock raiser and farmer, Otsego township, was born in Germany, February 8, 1857, son of John A. and Margareta (Neu) Braun, natives of Germany, who came to America in 1879, and located in Glencoe, Minn., where the father died and where the mother still makes her home. In the family there were eight children: Mary, wife of Peter Rech, of Glencoe; John O.; Matthew (deceased); Margaret (deceased); Michael (deceased); Jacob, of Glencoe; Elizabeth, wife of Michael Seifert, of Glencoe; and Peter, also of Glencoe. John O. Braun remained with his parents until he was twenty-six years of age. After his marriage, he was assisted by his father in buying eighty acres. After operating this farm eighteen years he purchased 222 acres in section 32, Otsego township, and section 5, Frankfort township. He has a fine farm, an excellent line of improvements, and a full equipment of tools and machinery. His specialty is the raising of pure-blooded stock of the Holstein breed. Mr. Braun has been treasurer of the school board of his district for ten years. He belongs to the German Catholic Benevolent Society, and the family faith is that of the Roman Catholic Church. Mr. Braun married Mary Agnes Donnay, born in Holland, October 24, 1861, daughter of Henry and Cecelia (Kolen) Donnay. Mr. and Mrs. Braun have had ten children: John A., of Frankfort township, this county; Margaret (deceased); Henry (at home); William, of Anoka county; Michael (deceased); Peter (deceased); Matilda, wife of Homer Gimau, of Anoka county; Cecelia, Catherine and Fritz, at home"

"Dare, Rose Corron born Nov. 5, 1890, Otsego Township; married Laurence A. Dare born Mar. 22, 1884, Elk River. Married Apr. 5, 1929 St. Andrew's. Children: Mary Rose, born Mar. 7, 1934. Stepchildren: Alan, Charles, Donna. Now in 1991 in Elk River Nursing Home at age 100, Rose probably attended mass in Dayton in early years and perhaps began coming to St. Andrews when the Mississippi River bridge was completed in 1905. She is the daughter of Octave Corron and Elise Bourgeois Corron. She was a faithful member of the parish for many years before going to the nursing home in the mid-1980's. Perhaps a highlight of her faith was her trip to Iowa to see Pope John Paul. She was born in the house on Parrish Ave. diagonally across the intersection from the Tom Thumb store in Otsego and the farm property is still in the family. She married Laurence Dare after his first wife, Anna Fournier Dare, who grew up on the neighboring farm died in 1926, leaving a six-month-old baby girl and two older boys."

Volume I page 529

"Orion L. Davis, farmer, Otsego township, was born in Elk River township, Sherburne county, April 21, 1857, son of Joseph and Emeline (Spencer) Davis, natives of Maine, who came to Minnesota in 1851, located in Sherburne county for several years, came to Otsego township in 1864, and secured 110 acres on which they spent the remainder of their days. The mother died January 15, 1914, the father having passed away a few years before. In the family there were thirteen children: Salvina, wife of Samuel Bobo of Milaca, Minn.; Lowell (deceased); Orion L. of Otsego; Susan, wife of August Hagan of Superior; Lincoln of Otsego; Albert (deceased); Hanna (deceased); Melissie, wife of William Kay of Chicago; Arthur of Monticellp; Sumner, who is with Orion L.; Nora, wife of Albert Williams of Rochester, Minn.; and Arthur and Richard, both of whom died in infancy. Orion L. Davis remained with his parents until fifteen years of age. He devoted several years of his young manhood to farming in Otsego township, to river driving, and to farming in Morrison county. In 1894 he returned to the home farm and operated the farm and looked after his parents until their death, when he inherited their place. He owns 157 acres, well improved, and carries on general farming, located in section 18. Mr. Davis was married November 29, 1883 to Sarah Kay, a native of Cook county, Illinois and of English descent, daughter of Richard and Mary (Lofthouse) Kay, who settled in 1880 in Morrison county this state, where the father now lives, and where the mother died. In the family there were seven children; William, of Chicago; Ellen wife of Lee Osgood, of Little Falls, Minn.; John, of Washington; George of Little Falls, Minn.; Samuel (deceased); Sarah, wife of Orion L. Davis; and an unnamed boy twin of Ellen, now deceased. The children of Mr. and Mrs. Orion L. Davis are: Andrew, at home; Sadie, now on a homestead in North Dakota; and Minnie, Gertrude, Lewis and Lucy (twins) at home."

"Matt Dechane, Farmer, Monticello township, was born near St. John, Canada, Nov. 24, 1867, son of Severe and Bridget (Maurier) Dechane, natives of Canada who came to Otsego township, Wright county, in 1872, and here devoted their years to farming. The father died in August, 1908, and the mother still makes her home in Otsego township. In the family there were sixteen children: Alice, wife of Joseph Cowett, of Dayton; George, of Rush City, Minn.; Matt, of Monticello; Alfred (deceased); Lyda, wife of George Menard, of Albertville, Minn.; Joseph, of Anoka, Minn.; Louis (deceased); Mary, wife of George DeMars, of Otsego township, an infant daughter (deceased); Lucy, wife of Frank Zahler, of St. Michaels, Wright county; Octave, of Otsego; Emile (deceased); Edmund, Albert and Louis, of Otsego township; and Flora, the wife of Alphonse Chroinard. Matt Dechane remained with his father until he was twenty-eight years of age. Then he married and in 1895 purchased forty acres in section 33, Monticello township. He has made some excellent improvements and carries on general farming and stock raising. He is a Republican in politics and a member of the Modern Woodmen of America. The family faith is that of the Catholic church. Mr. Dechane married Queenie Mary Montreuil, a native of Wright county, daughter of Frank and Mary (Fyle) Montreuil natives of Canada, who came to Monticello about 1874. Mr. Montreuil now lives in Olivia, Minn. He was assessor of Monticello township for three years. His wife died August 10, 1908. In the family there were five children: Mary Louise (deceased), Queenie Mary, Elmer Francis, Francis Xavier and Haydee Catherine, wife of Edward Lindquist, of Olivia, Minn. Mr. and Mrs. Dechane have two daughters: Hazel Mary, born June 9, 1908; and Blanche Florence, born October 5, 1910."

Excerpts from THE DRUMMER Jan. 13, 2002

"The Elk River Box Factory has been in the Ebner family for almost a century. It came to fruition in 1909 with Don Ebner's grandfather and despite a devastating fire in 1942 the Ebner clan has continued to manufacture wood veneer berry boxes, crates and containers ever since. . . Don's grandfather initially made bee hive boxes. Then in 1911-12 he started crafting the berry boxes. . . The clan also attempted to grow ginseng for several years beginning in 1916, but potato blight struck and the expensive crop went under. . .The Ebners still do business the old fashioned way; they reside, create and market their wares on the same land. . . 10273 Parrish Avenue."

Elk River Star News July 10, 1996

". . .With the help of hundreds of letters dated from 1903 to 1907, which Dare <Sally Dare> found in the attic of the couple's century-old home off Main Street in Elk River, she has pieced together the romance of her husband, Chuck's parents. She recently compiled those letters in a book entitled "Anna: Letters From The Attic". . .Anna, whose maiden name was Fournier, grew up on a large farm in Otsego Township, located off a dirt trail now known as Parrish Avenue. Many letters, written by Anna Fournier to Laurence Dare during their courtship detail the perils of her journeys across the Mississippi River. . ."

"Clark Haley, a native of Canada East, was born on the 16th of April, 1831. His father moved to New York soon after his birth, and in 1856 came to Minnesota and lived in Hennepin county for three years, after which he returned to the state of New York. He enlisted in August, 1861, in Company D, of the One hundred and forty-second New York Volunteer Infantry, under Captain Jones, serving one year; was in several engagements during his term of service. He lost his health in the army, and now draws a pension. Returned to Minnesota in 1879, and located on a farm in Otsego township, known as the Cory farm. He married Miss Amanda Lee, a native of New York, in the year 1856. They have five children. The oldest daughter is married, and the remaining children are at home."

"William D. Hamlet, farmer, Monticello township, was born in Brownville, Me., August 8, 1857, son of Joseph B. and Charlotte M. (Snow) Hamlet. Joseph B. Hamlet was born in Maine, was there reared, and during the Civil war enlisted in the Eleventh Maine Pioneer Corps. He served a year and a half, and was then discharged, having been injured while engaged in building bridges. He brought his family to Wright county in 1864 and took up farming in Otsego township. He was postmaster at Lily Pond for some years. He was also justice of the peace. Having gained a considerable knowledge of medicine, he ministered to the ailments of the children in the neighborhood, and was very successful in his treatments. He died in 1900. His wife died in 1911. In the family there were six children: Flora (deceased); Lewis B.; Aroline F., wife of Luther Davis, of Drain, Ore.; Flarilla, who died in childhood; William D.; and Helen Amanda, wife of William W. Heath, of Snohomish, Wash. William D. Hamlet remained on the home place until about twenty-six years of age. Then he bought forty acres in Monticello township and started farming on his own account. In 1881 he bought forty acres in section 16 in the same township. He has brought the place to a high stage of cultivation, and successfully carries on general farming. He is a Republican in politics, and has served the town as supervisor some twelve years. It is interesting to note that Tilston Snow, grandfather of William D. Hamlet, was one of the first settlers to cross the Mississippi river into Wright county. He came in 1858 from Maine and settled in Otsego township. Mr. Hamlet was married August 30, 1884, to Della Baker, a native of Iowa, daughter of Caleb Fulton and Emeline (Stevens) Baker, who brought her to Wright county when she was one year of age, and settled in Otsego township, where Baker's Ferry is named for them. In the Baker family there were six children: William Hovey, of Washington; Newell (deceased), Nettie, wife of Frank Heath, of Beach, N. D.; Nathan, of Otsego township; Della wife of William D. Hamlet."

Volume I page 528

"Milton T. Hamlet, farmer, Otsego township, was born in the township where he still resides, April 19, 1858, son of Dana R. and Elizabeth P. (Snow) Hamlet, natives of Maine, who arrived in Wright county April 12, 1856, pre-empted 160 acres in section 15, Otsego township, and here spent the remainder of their days, the father dying January 17, 1899, and the mother, April 21, 1908, the latter having reached the age of ninety-one years. In the family there were five children: Anna E. (deceased); Helen A. (deceased); Clarence A. (deceased); Elmer A. of Monticello; and Milton T. of Otsego. Milton T. began life for himself at the age of sixteen years, and has devoted his time to farming, to rafting on the river, and to carpenter work. He now carries on general farming and stock raising on sixty acres of the old homestead. He is a Republican in politics and has served as town assessor. Mr. Hamlet was married December 11, 1880, to Emma L. Perry, a native of Maine and this union there have been born three children: William R., of Monticello; Guy M., of Drain, Ore.; and Nellie E. who is attending the high school at Monticello. The parents of Mrs. Milton T. Hamlet were William and Sarah J. (Seavey) Perry, both natives of Maine. The mother died in that state, but the father came to Wright county in 1870 and located in Otsego township, where he died in September 1882. His business was that of a merchant. In the Perry family there were five children: Mary (deceased); Fred; and Alice, the wife of Lincoln Davis, of Otsego."

"Hiram Harper, a native of Oxford county, Maine, was born in the year 1806. His mother died when he was but four years old, and his father six years later. He lived in his native State till thirty years of age, when he came to Minnesota and located in this township in December, 1855, where he has a farm of one hundred acres. He married Miss Elmira Heath, of Maine, on the 19th of August, 1827. They have six children. The oldest son, Elisha K., was in the late civil war three years. After receiving an honorable discharge, was employed in the Provost-Marshal's department at Washington, D. C., and in the Adjutant-general's department, and also performed clerical labor for President Lincoln for a time. He died in June, 1866, in Washington, and was buried in the Congregational cemetery in the latter city. The youngest son, Benjamin, is on the home farm; three of the other children are living in Minnesota, and one resides in Michigan.

"Johiel Harrington, farmer and stockraiser, is one of the most honored and respected citizens of Otsego township. He was born in Ottawa, Canada, March 19, 1838, son of William and Mary (Wood) Harrington, both of whom died in northern Michigan. William Harrington was a farmer and lumberman. In the family there were ten children: Sarah E. (deceased); Johiel, of Otsego; Hiram (deceased); Nathaniel, of Michigan; John (deceased); William, Rachael, Leonard and Mary, of Michigan; and Nancy, of Milaca, this state. Johiel Harrington moved with his parents from Canada to northern Michigan, and remained with his father until 1868. It was in that year that he came to this state, and located in Martin county. Some five years later, just as he was on the dawn of success, the grasshoppers devastated his farm, so he moved to Hennepin county. In 1878 he came to Wright county and bought seventy-two acres in section 30, Otsego township. He has wrought many improvements, has a well-developed farm, and carries on general farming and stockraising. Mr. Harrington is an independent voter. For some eight years he has served as a member of the school board. Mr. Harrington was married, April 13, 1863, to Julia Felt, born in St. Lawrence county, New York, April 24, 1841. Mr. and Mrs. Harrington have had five children: Mary Jane, Hattie, Hiram Orville, Capitola and Alberta. Mary Jane was born February 19, 1864, and died April 11, 1866. Hattie was born April 21, 1867, and married Burton Broughton, of Spokane, Wash. Hiram Orville was born January 15, 1870, and farms in Otsego township. Capitola was born June 24, 1872, and is the wife of George Hayes, of Everett, Wash. Alberta was born April 21, 1874, and is now the wife of Frank McKee, of Seattle, Wash. Mr. and Mrs. Johiel Harrington were entertained on their Golden wedding anniversary by their son, Hiram O. and his good wife, the date being April 13, 1913. About fifty guests were present. The reception committee consisted of six sturdy lads and a like number of dainty lasses. They sang "Put on Your Old Gray Bonnet", and then the wedding march was played, after which Rev. Norman Butdorf performed the marriage ceremony, at the conclusion of which Mr. Harrington, to the surprise of the clergyman and the merriment of the guests, paid the wedding fee. The young people sang "Silver Threads Among the Gold", and then Rev. Butdorf, with appropriate ceremony and fitting remarks, presented the happy couple with a gold and silver table set, with the date of the wedding and the date of the anniversary engraved on each piece. The personal gift from the clergyman consisted of a wedding booklet, with the dates, and with space left for the signatures of the witnesses and the guests. Refreshments of ice cream, wedding cake and bride cake were served, and all had a most enjoyable afternoon. Pictures were taken, good wishes exchanged, and the worthy couple then drove to their home two and a half miles away."

"Hiram Orville Harrington, one of the leading and progressive farmers of Otsego township, was born in Martin county, this state, January 15, 1870, son of Johiel and Julia (Felt) Harrington, who took him as an infant to Hennepin county, and in 1878 brought him to Wright county. He here attended the district schools and grew to manhood on his father's farm. He lived with his parents till twenty-two years old, then started out for himself, working in lumber camps and on drives about six years. Then he took up structural iron bridge work, which he followed with success till he married. In 1906 he settled on his present farm of 120 acres in sections 18 and 19, Otsego township. He has made extensive improvements, erected a good home, and developed a splendid farm. He is a good citizen, a good farmer, a good companion and a good family man, a desirable member of the community in every way. For the past six years he has been town constable, and for three years he has served as director of school district No. 10. On April 26, 1906, Mr. Harrington married May L. Hayward, daughter of John W. and Mary (Lowell) Hayward. Mrs. Harrington was born in Maine, and came to Minnesota with the family in 1882. She helped to care for her parents in their last illness, and her own health was seriously impaired thereby. Consequently she went to the hospital and underwent an operation. Since then she has been something of an invalid, but through it all she has been cheerful and helpful, and no one in the community better deserves the title of "well beloved" than does "Aunt May", as she is affectionately called. After the death of her parents she made her home with her brother Frank and was a great help to him in his pastoral duties. She was active in church and social affairs and a most useful member of the community. After she left her brother she took up her home with her sister, Mrs. J. E. Fulton, of Anoka, this state. There she was as active as before in church and social matters, and also in the Rebekah lodge. She was a friend to the old and young, and her influence in that city will never be eradicated. Her marriage, April 26, 1906, took place at high noon at the home of her sister. After the ceremony a wedding breakfast was served, followed by an informal reception for her friends. She received many valuable and useful presents, all the gifts being prompted by real love. After the reception she and her husband drove to his place in Otsego. There they have worked together to establish a home. The residence is ever filled with happiness and good cheer, and its hospitality is widely known. The school teachers and the young people call the place their home, and there goes out from its cheery atmosphere a beneficent influence that is far-reaching. Since she has been in Wright county Mrs. Harrington has continued to be active in church, social and fraternity work, and here as in previous places she is known by the loving title of "Aunt May". In every walk of life she has done her duty. She was a good daughter and has been a good wife and sister, a good neighbor and faithful friend."

"John W. Hayward was born in Wesley, Washington county, Maine, April 26, 1835, and was there educated and reared to manhood. On February 23, 1856, he married Mary Lowell. She came of a long line of scholars and teachers, and had herself been a successful educator, in fact, she was teaching when she met her future husband. Together they established a little farm home, and the family was well on the road to prosperity when the Civil War broke out. Faithful to the call of duty, he enlisted in the Union army, leaving his wife and three sons on the home farm. During his absence she taught school, using one of the rooms of the small house as a schoolroom. Mr. Hayward was wounded and came home on a furlough, but soon returned to the service. He was mustered out, with the rank of sergeant, at the close of the war. For several years thereafter he lived on the farm in Maine. All the eight children were born there. He was a good citizen and a good man. His wife was a good wife and mother, a highly respected and always ready to give a helping hand to anyone in need. Mr. Hayward served several years as a town official and as a member of the school board. His health was never very good after his services in the army, but he was a brave, cheerful man, and always did all and the best he could for his large family. It was in 1883 that he sold out and brought his wife and five of the children to Minnesota. They lived at Spencer Brook, Isanti county for a while and in 1885 located in Otsego, in Wright county. Here he farmed and worked in a lumber camp. Two years later, however, he was taken ill, and he and his wife, with their children, May and Perlle, went to Glenwood, Iowa, and took up their home with the son, Frank, who was preaching there. The change did not benefit Mr. Hayward, however, and he died November 27, 1893. His wife died the following August, 1894. They are both laid at rest in the cemetery in Glenwood, Iowa. Mr. and Mrs. Hayward had eight children: Frank L., Fred L., Allen B., Lottie H., May L., Melvina A., George C., John Perlle. Frank L. lives at Stevens Point, Wis. He is clergyman of the Methodist Episcopal church, and holds the degree of D. D. Fred L. is dead. Allen B. is married, and is engaged in lumbering in Maine. Lottie is the wife of Prentice Williams, and lives in Old Mystic, Conn. May L. is married to Hiram Orville Harrington and lives on a farm at Otsego, Minn. Melvina is the wife of J. E. Fulton, and lives at Anoka, Minn. George C. is married and lives at Mildred, Mont. John Perlle is a farmer is married, and lives at Topsham, Me."

Excerpts from letter found in wall of old house being remodeled

"Elk River, Minn  
Dec. 30, 1908

Dear Little Flossie:

. . . Bud and Leslie have gone to Minneapolis to see Roy Johnston . . . Your mama is going to have the <church ladies> aid next week. You know what that means. Everything from the barn to the cellar must be in order. . . I put a glass in that window Leslie broke. . . There is to be a dance at the Otsego Hall tomorrow night. Lee and Malon are getting it up. . . Mamie bought her <Ruth> a nice present for her birthday. . . There is to be revival services in the Otsego church next week. . . Stella and Alfred were here. . . Percy Folton is up for the dance. . . I think C. H. Borthwick is going in to matrimony by the way things look: Minnie Hamlett is not going back to school. . . The young folks got up a sleigh ride party and went over to D. H. and had a big Oyster stew. . . Lee, Mamie and Ben went from here. Fritz and Charley went to St. Paul today to a funeral 1 1 Mirtie and Daisy are home for their vacation. . . Baker was down and got Blanch. . . Write soon.

"An altercation in Otsego township over a calf in 1881, resulted in the death of one citizen, and in a life sentence for another. Phillip Hoffman was the victim. Herman Trauch was accused by the coroner's jury, May 8, 1881, was tried before the district court in October, 1881, and was found guilty and sentenced to state's prison for life. The trouble arose over a calf owned by Hoffman. The calf got into Trauch's meadow and Trauch started to lead it away. Hoffman climbed the fence and told Trauch that he would lead the calf back to the pasture. Trauch refused to give up the animal, and Hoffman thereupon grabbed hold of the rope. Trauch then struck at Hoffman four times with a butcher knife. The man died almost instantly and Trauch started toward his own home."

## Dr. Borthwick and Dr. Humphrey

Who? Unless you have an interest in botany or plant pathology, you may not recognize them. These men once lived in Otsego and both became world famous in their field.

Dr. Harry Baker Humphrey came with his parents to Otsego in 1882. They settled on a farm about a mile and a half south of Elk River and three miles north of Dayton. He attended the nearby country school. At 18 years of age, encouraged by his mother who had been a teacher, he started high school in Elk River. He built his own boats to row across the Mississippi River to attend classes. In winter, he skated across the ice. During this time he helped with a man's work on the farm. He was president of his class and graduated in three years.

Humphrey enrolled at the University of Minnesota in 1895. He worked his way through college, specializing in botany and modern languages and received his bachelor of science degree in 1899. The family moved from Otsego in 1900.

Following several years of secondary school teaching, he enrolled in graduate school at Leland Stanford University and in 1907 received his doctorate degree. In 1913 he was appointed Pathologist for the U. S. Department of Agriculture in Washington, DC.

Dr. Humphrey is credited with over 50 scientific publications and his work contributed to the development of disease resistant cereal grains. In addition to this work, he taught French from 1922 to 1948. He was deeply interested in the French Canadian people, dating from his contacts with the Pepin, Chouinard, Bourgeois, and Caron families who were his neighbors in Otsego. Dr. Humphrey was president of the American Phytopathology Society, a fellow of the American Academy of Arts and Sciences, and was honored by many other scientific societies.

Dr. Harry Alfred Borthwick was born in Otsego. His mother, Estella Humphrey Borthwick, was a sister of Dr. Harry Baker Humphrey. After graduating from Elk River High School, Harry was encouraged by Dr. Humphrey to enter the School of Agriculture at the University of Minnesota in 1917. When his parents moved to San Jose, CA in 1919, he transferred to Stanford University, majoring in Botany. He received his Bachelor of Arts degree in 1921, Master of Science in 1924, and Doctorate in 1930. He wrote over 100 scientific publications and joined the research staff at the U. S. Department of Agriculture at Beltsville, MD. He was a fellow of the American Academy of Arts and Sciences and the recipient of numerous awards.

Former Vice President Hubert H. Humphrey's father, a brother of Dr. Humphrey, lived in Otsego from 1882 to 1890. Dr. Humphrey was the uncle of Dr. Borthwick and Hubert Humphrey who were cousins.

The Otsego Heritage Commission has a fine collection of papers relating to the two families. There are many pictures, diplomas, honorary certificates, a high school year book, an original hand written invitation to the Alfred Borthwick and Frances Humphrey wedding, many newspaper clippings, and other documents. Some of these are now on display at City Hall. We are honored to be entrusted with the preservation of this material given to us by Dr. David J. Humphrey, a son of Dr. Humphrey. WW

Holt Diary

THE HOLT DIARY published in 2000 by the Otsego Heritage Commission was written by Will Holt, the son of William Henry Holt and Julia Frances Ingersoll Holt. It contains numerous references to the Ingersoll family.

LIFE AT THE BRICK HOUSE 1911to 1931 published in 1998 by the OHPC contains a realistic description of the Ingersoll house and farm life during that period.

Washburn Family Papers

"Frederick was the youngest son of John Ward Washburn. He was born 16 June, 1857, the only one of the children born in Minnesota. He married Adelia King, daughter of Eli King, of Otsego, in 1877. They had two children, Ethel Genevieve and Roscoe. Adelia died in 1882, as did Roscoe, age 2 years. Both are buried in the Otsego cemetery. After her mother's death, Ethel Genevieve lived with her Aunt Clara McLeod until her father remarried."

There are 59 daily entries referring to the King family in the book published by the Otsego Heritage Preservation Commission, THE HOLT DIARY 1877 to 1890.

According to family legend, Albert changed his name from Anderson to Melin while working his way from the east coast to Minnesota. The men were paid with cash in envelopes. There were many Swedes named Anderson and sometimes another Anderson claimed Albert's pay. It is not known why the name Melin was chosen.

The original farm is still occupied by the same family. The barn is gone; the original house has been added to and remodeled. Cropland is rented out by Elaine (Melin)Norin, Robert's daughter.

Excerpts from letter dated Dec. 8, 1889

This letter was written in Swedish by Justina (Petterson) Melin to her brother Oscar and sister Tilda and husband August Backlund in Sweden. At that time Justina was working in Waseca, MN for her mother's cousin, caring for their children. Early in 1890 she went to Minneapolis and worked as a "live in" housemaid for a wealthy family on Park Avenue, until she married Albert c. 1892.

". . . like it here in this new country . . . It is good for girls here in America once they know the language . . . there's always plenty of jobs . . . the girls dont have to work after dinner . . . If I knit stockings I get special pay for that . . . here is free English school . . . cousin Soffia lives in a city that is called Minaples . . . she has 19 dollars a month . . . after Christmas I shall go to her . . . From book "James Mosman, Volume II" and information from Marian (Mrs. Sidney Archie) Mosman

James Mosman was born in Edinburgh, Scotland in 1626. The Mosmans who came to Otsego are the seventh generation in America. Willard Nelson Mosman was born in Searsport, ME August 23, 1854. He came to Minnesota and married Alice Louise Holt November 17, 1883. Alice was the daughter of Henry and Julia Frances (Ingersoll) Holt; early settlers in Otsego. Willard and Alice lived in Royalton, MN in 1900 with their 7 oldest children. They bought a farm, moved to Otsego and are listed in the 1905 and 1910 census with 8 children. The children attended the Lily Pond grade school and Elk River High School.

"Conrad N. Nellis, farmer, Otsego township was born October 1, 1881, son of John and Margaret (Stenglein) Nellis, natives of Germany, who came to America in the early sixties and located in Hennepin county, this state. In the family there were twelve children. Conrad A. Nellis left home at the age of fifteen and supported himself doing railroad work summers while he went to school winters. In this way he passed through the high school and the State Normal School. Later he took courses in the Minnesota School of Business at Minneapolis. Thus equipped he took a position as a bookkeeper in a wholesale grocery house. Some two and a half years later he took a similar position with a dry goods house for some two years. Then for four years he farmed near Anoka. In 1908 he came to Wright county and purchased 80 acres in Section 20, Otsego township. Here he devotes his time largely to berry culture and stock raising, making a specialty of full-blooded Holstein cattle. He is a Democrat in politics and belongs to the Brotherhood of American Yeomen, the St. Joseph Society and the American Federation of Musicians. The family faith is that of the Roman Catholic church. Mr. and Mrs. Nellis have had five children: Hazel, born March 13, 1904; Louis born April 12, 1906; Grace, born July 23, 1908; Verna, born August 29, 1910; and Leo, born March 20, 1912."

"Oliver L. Perrault, farmer, Otsego township, was born in Hennepin county, this state, July 19, 1858, son of John B. and Marguerite (Bouley) Perrault, natives of Canada, of French descent. They came to Michigan about 1849, and located on a government claim in Hennepin county, in 1855. The original claim is still in the possession of the family. There were six children; John B., of Hennepin county; Mary O. (deceased); Florence, the wife of Peter Burke of the state of Washington; Oliver L.; Alfred A., of the state of Washington; and William, of Cass Lake, Minn. Oliver L. purchased 138 acres in section 14, Otsego township, put in a full line of improvements and carries on general farming. He is a Republican in politics and has been supervisor of the township for three years. Mr. Perrault was blessed with eight children: Clifton O., a graduate of the agricultural department of the University of Minnesota; Margaret, who is attending the St. Cloud State Normal school; Fletcher, at the Agricultural school, St. Paul; Malcolm, who attends the Monticello high school; Bernice, Gertrude, Cora (deceased), and Albert, the younger children are attending the common schools. Mrs. Oliver L. Perrault was the daughter of Jefferson and Martha Northrop Benner."

Volume I pages 436-7

"Joseph Reems, a pioneer of Frankfort township, was born in Fayette, in what is now West Virginia, September 30, 1849, son of Samuel and Nancy (Dorey) Reems, and descended from notable Colonial families on both sides of his house. He was brought here by his parents in 1854, lost his mother on the trip, and was reared by his father and sisters. He attended a log school house and rendered the family such assistance as he could about the little clearing and in the home cabin. When the Civil War broke out he was so young that he was not allowed to enlist, but he served his country by acting as a government driver along difficult and dangerous routes. After the war he returned and again took up farming. He has a good tract of land in section 1, and though he has suffered severe losses by fire he now has a comfortable home and a thoroughly modern barn, with fences, implements and machinery in keeping. Aside from his land here he owns land in Dunn county, North Dakota. All his farm land is rented and he is now practically retired. Few men have been more active than he in public affairs. He has been town supervisor for many terms; county commissioner, eight years; assessor, fourteen years, and school director twelve years. Wherever he has found the opportunity for service he has not shirked but has ever been willing to assist in every good cause. He is a member of the Masonic body and his wife and two daughters are affiliated with the Eastern Star. Mr. Reems married Mary A. Richner, daughter of Frederick Richner, of Switzerland, who located in Otsego township, this county, in 1873. Mrs. Reems died in 1908 at the age of fifty-four, leaving eight children: Alfred J., Samuel, Emma, Elmilda, Etta May, Millie J., LeRoy M. and William"

## R E E M S - continued

"Samuel Reems, a pioneer of Frankfort township, was born in Pennsylvania, son of George Reems. George Reems came of an early colonial family. He served in the Revolutionary War under George Washington and Anthony Wayne, often trudging barefooted and starving through the snow in order that liberty might reign throughout the colonies. He lived in the thirteenth house erected in the city of Philadelphia. From George Reems and his two brothers, Uriah and Benjamin, are supposed to have descended all the Reems families now found in the United States. Samuel Reems came from what is now West Virginia in 1854, and took a claim of 160 acres in Frankfort township, on the banks of the Crow river, several miles from where it empties into the Mississippi river. At that time the Indians ranged the country, and the first spring he was here they made sugar from the sap of the maples on his place. He erected a log cabin, brought supplies from St. Paul on his back, put in his first corn and potatoes in the virgin sod with an ax, and gradually cleared the land. He died in 1892 at the age of 103 years, seven months and three days. The mother had died at Montrose, this county, in 1854, when the family was on its way here to settle. Samuel Reems was married in West Virginia to Nancy Dorcy, a native of Connecticut, and nine children were born: Samuel, Virginia, Catherine, George, James, William, Stephen, Sarah Ann and Joseph. Three of these sons were veterans of the Civil War. Joseph and Sarah Ann were twins."

Myra Laura Snow was born in Otsego, February 23, 1882; daughter of Charles Thomas Snow and Ada Marie Cooley Snow. While teaching at a mission school in Tientsen, China in the 1930's, Myra wrote a poetic story of pioneer life in Otsego, WOMAN IN THE WILDERNESS. It is based on family legends about her grandparents, Alvah Landers Cooley and Margaret Faulkner Cooley, passed to her by her mother. The book is available at the Otsego City Hall.

5-7-81 Herman Trouch killed Hoffman

Volume II page 602

"An altercation in Otsego township over a calf in 1881, resulted in the death of one citizen, and in a life sentence for another. Phillip Hoffman was the victim. Herman Trauch was accused by the coroner's jury, May 8, 1881, was tried before the district court in October, 1881, and was found guilty and sentenced to state's prison for life. The trouble arose over a calf owned by Hoffman. The calf got into Trauch's meadow and Trauch started to lead it away. Hoffman climbed the fence and told Trauch that he would lead the calf back to the pasture. Trauch refused to give up the animal, and Hoffman thereupon grabbed hold of the rope. Trauch then struck at Hoffman four times with a butcher knife. The man died almost instantly and Trauch started toward his own home."

Condensed History page 88

"In 1881, Otsego, which has suffered several tragedies, was once more in the lime-light. A fight over a calf between Philip Hoffman, the victim, and Herman Trauch, the killer. Trauch struck Hoffman four times with a butcher knife, the latter dying instantly. Trauch was tried in the October term of 1881. He was found guilty and sentenced to states prison for life."

Excerpts from autobiography of Edson Dean Washburn Sr.  
 (A complete copy is available at the Otsego City Hall)

" . . . Charles Albert Washburn, <brother of Edson> a township constable who was shot and killed while making an arrest. He was the 19th day of October, 1884 and died on the 29th day of October, 1884 at my home in the town of Otsego, Wright Co., Minn . . ."

Information provided by one of his <Edson's> children

"During his three years in the army, <Civil War> he saved and sent home from his wages, \$400. With this money, he bought 100 acres of land on the bank of the Mississippi about 2 miles east of the Lily Pond School Here he and his wife lived 4 1/2 years and his two oldest children were born. They moved from this farm in the fall of 1870 to the farm that was to be the family home. He continued to own and operate the old farm until 1880, when he sold it and bought more land adjoining his home until he eventually had 260 acres of land as good as there is in Minnesota. It was on this farm that all of the younger children were born and grew up.

His son, Edwon Dean Washburn graduated from the University of Minnesota Agricultural School and married Edna Wooley of Buffalo, Mn. on June \*, 1910. He was in partnership with his father on the home farm until his father died. He sold the farm soon after and later moved to California. "

Condensed History page 88

"Granville L. Spaulding, of Monticello, who had been having domestic trouble and had made threats, was served with a warrant for arrest. Constable Charles A. Washburn was given the warrant to serve. In trying to serve it, Spaulding shot him, Washburn dying ten days later. Sentenced to be hanged after he had served five months in solitary confinement in the Wright county jail. The Supreme Court vacated the judgment, and he was given a new trial, resulting in a verdict of guilty of manslaughter in the fourth degree. He was sentenced to states prison for two years. The second trial was held in Hennepin county."

Condensed History page 154

"In the life of every community there have been some persons of outstanding quality and worth who have had the best interest of their community at heart and through whose loyalty and devotion these communities have obtained recognition. In the early days of Wright county amid its pioneering hardships it needed such leadership. Looking back we recall some of these pioneers . . . Edson D. Washburn of Otsego. He was a farmer and dairyman of unusual ability. One of the pioneers of 1856. A soldier in the Civil war, prominent in political and civil affairs, a man of much force and character."

DAWN TO DUSK POEMS

The following poems are from the book by A. B. Whitcomb, published in 1958 in Montana. A copy, signed by the author, was given to the Otsego Heritage Preservation Commission by ARnold Whitcomb of Princeton, MN. Arnold's grandfather, Joseph Clinton Whitcomb, was a brother of the poet.

A. B. Miles Whitcomb was born in Otsego September 29, 1884 to David Daniel Whitcomb and Lydia Louisa Holt Whitcomb. David and Lydia were married December 4, 1870 at Buffalo, Minnesota. David was born April 10, 1845 in Goldborough, PA. Lydia was a daughter of Lucius and Louisa Thorpe Holt who came to Otsego from Connecticut and Wisconsin about 1865. His initials A. B. were his given name: Miles was his middle name. He left Otsego around 1905 and eventually settled in Billings. Montana.

A. B. MILES WHITCOMB and daughter MILDRED

You were a peaceful little center  
On the Mississippi's bank,  
Where a cable ferry crossed it  
To our nearest railway tank.

Oftimes the trip was perilous  
In the day time or at night,  
By anchor ice in Spring and Fall  
And saw logs in Summer flight.

Which were cut in forests North  
And in Spring were floated down  
To great saw mills farther South  
Many to our nearest town.

I recall your blacksmith shop  
All built of logs and sod,  
Where many a plow was sharpened  
and as many horses shod.

The old wood stove and oil lamps  
In the center of that store,  
Proved to be the main attraction  
For all people by the score.

If that old stove could only speak  
Of all the stories it had heard,  
Some of course they could repeat  
Others without a truthful word.

It was there the Civil War was  
Refought time and time again,  
Though the strategy was changed  
it always came out the same.

Near by stood your school house  
Well built and painted red,  
Where children came from miles around  
To hear what a man teacher said.

But the place that stood out most  
In every one's heart and mind,  
Was the Church we all could boast  
As the best place one could find.

With hitching posts and wagon sheds  
To accommodate it's many guests,  
While that Church inside provided  
Perfect solitude and rest.

Years have passed, things have changed  
Most land marks are now gone,  
Still in fond memories I rearrange  
That district where I was born.

Though the world seems just a riddle  
We can't stop the march of time.  
Neither can we hold back memories  
Of some boyhood days of mine.

There were hills, brooks and meadows  
For which it seems all lads were fond.  
But there were no places to compete  
With a certain lily pond.

Carefully nestled in the wood lands  
At the foot of two long hills,  
Where we neighbor lads would gather  
For what we called the pond hole thrills.

I can remember well, the lily pads  
That frogs were sitting on.  
And little birds most everywhere  
All singing different songs.

Where turtles sat on fallen trees  
With little mud hens all around.  
There were also many honey bees  
Down at that lily pond.

We boys had made ourselves a raft  
Of which we too were very fond.  
Where we could sit, feet hanging down  
In that little lily pond.

Then with Summer days all gone  
And back to school we must go.  
Waiting for the Winter to come  
And cover the pond and hill with snow.

Then the time would come again  
For a new and different thrill.  
When the boys and girls went sliding  
Once again down lily pond hill.

All dressed warm for Winter  
And on every face a smile.  
All enjoyed the fun of sliding  
Though coming back an uphill mile.

Now those days are gone forever  
Still they hold my thought in bond.  
Of all the boyhood hours spent  
On that hill and lily pond.
